4. Exposure limits in capital market.— (1) A modaraba's aggregate exposure in listed equity securities shall not exceed 25% of its equity.

(2) The investment of modaraba fund in listed equity securities of any company shall not exceed 5% of the paid up capital of the investee company or 10% of its own equity, whichever is less and the shares acquired in excess of 10% limit due to the underwriting commitments, shall be sold off within a period of six months from the date of acquisition of such shares:

Provided that the amount of provisions created against permanent diminution shall be deducted from the cost of acquisition of equity investments and the maximum limit:

Provided further that the above restriction shall not be applicable to investment made by a modaraba in its own subsidiaries and long-term strategic investments out of surplus equity.

Explanation:- For the purpose of this regulation, "investments in equity securities" shall be valued at cost of acquisition for the purpose of calculating the above limit.

5. Minimum conditions for providing finance.— (1) A modaraba shall while providing finance (including renewal and enhancement) to a customer which is equal to or exceeds five hundred thousand rupees after netting-off the liquid assets held as security, give due weight to the credit report relating to the customer or its group obtained from a credit information bureau.

(2) If the credit report of credit information bureau indicates overdue, the modaraba may take exposure on such customer keeping in view its risk management policies and credit approval criteria and it shall properly record reasons and justifications for granting the finance in credit approval form.

(3) The modaraba shall maintain a file of all such exceptions and provide the same as and when required by the Registrar Modaraba or any officer authorized by the Commission.

(4) A modaraba shall not provide finance to a customer who has defaulted for more than six months or availed a write-off from that modaraba during the last three years.

(5) While granting finance to a customer other than individuals, the modaraba shall obtain copy of accounts relating to the business of that customer for analysis and record in the following manner,

(a) where the exposure does not exceed one million rupees.	Documentary evidence of the net worth of the customer.
(b) where the exposure exceeds one million rupees but does not exceed two million rupees	Accounts duly signed by the customer.
(c) where exposure exceeds two million rupees but does not exceed ten million rupees.	Accounts duly signed by the customer and countersigned by: (i) a chartered accountant; or (ii) a practicing cost and management accountant in case of a customer other than a public company or a

	private company which is a subsidiary of a public company.
(d) where the exposure exceeds ten million rupees	Accounts duly audited by: (i) a practicing chartered accountant; or (ii) a practicing cost and management accountant in case of customer other than a public company or a private company which is a subsidiary of a public company.

(6) In case the customer is an individual, the modaraba shall obtain documentary evidence of the source of income/funds of the customer such as wealth statement, statement of assets and liabilities or any other document as may be considered appropriate by the modaraba.

(7) A modaraba shall, before providing any finance (including renewal, enhancement and rescheduling or restructuring), ensure that the application for finance is accompanied with a "Customer's Basic Fact Sheet" as prescribed in Schedule-II.

(8) A modaraba shall ensure that the information requested in the basic fact sheet is provided by the customer under his seal and signature.

6. Linkage between equity of the customer and total exposure from financial institutions.— A Modaraba while taking an exposure shall not provide finance if the total exposure availed by the customer from financial institutions exceeds 10 times of the equity of the customer as disclosed in the latest financial statements of the customer:

Provided that the fund based exposure of a customer shall not exceed 4 times of its equity as disclosed in the customer's latest financial statements, the above limit of 4 times of equity shall not be applicable on exposure to financial institution:

Provided further that where the equity of the customer is negative and the customer has injected fresh equity during its current accounting year, it will be eligible to obtain finance up to 4 times of the fresh injected equity, subject to the condition that the customer shall plough back at least 80% of the net profit each year until such time that it is able to avail finance without this relaxation.

Explanation:- For the purposes of this regulation,-

- (i) the expression "equity of the customer" includes paid-up capital, general reserves, balance in share premium account, reserve for issue of bonus shares and retained earnings/ accumulated losses, revaluation reserves on account of fixed assets and subordinated loans.
- (ii) revaluation reserves will remain part of the equity for first three years only, from the date of asset revaluation, during which time the customer will strengthen its equity base to enable it to avail facilities without the benefit of revaluation reserves provided that if a customer gets fresh revaluation during the three years' period, the customer will be allowed the benefit from that revaluation, to the extent of increase in revaluation reserves, but restricting the benefit of such incremental value to three years only. If after three years, the customer again gets revaluation of the assets with resultant addition in

their value, the benefit of such revaluation may also be allowed for the next three years, again to the extent of increase in revaluation reserves;

- (iii) for a loan to be classified as subordinated loan, it shall meet the following conditions namely:-
- (a) subordinated loan shall be unsecured and sub-ordinate to modaraba's indebtedness; and

BBB+	0.5 times of equity

Provided that the following shall not constitute contingent liabilities for the purpose of this regulation:

- (a) Non-fund based finance to the extent covered by liquid assets;
- (b) Non-fund based finance where the payment is guaranteed by the Federal Government, Provincial Government, financial institution rated AA or above by a credit rating agency; and
- (c) claims other than those related to provision of finance (fund based or non-fund based) to the modarabas' constituents, where the probability of conversion of these claims into liabilities is remote in the view of the auditor.

13. Creation and building up of reserve.— Every modaraba shall create reserve fund to which shall be credited:

- (a) an amount not less than 20% and not more than 50% of its after tax profits till such time the reserve funds equal the amount of the paid up capital; and

- (b) thereafter a sum not less than 5% and not more than 20% of its after tax profits.

Explanation.— Issuance of bonus shares may be made from the above- mentioned reserves or the reserves available after appropriation made under clause (a) or (b) whichever may be the case and since such bonus shares will increase the paid up capital, the modaraba shall transfer further amounts to the reserves in order to comply with condition of clause (a).

14. Classification and Provisioning for non-performing assets.— (1) A financial services modaraba shall observe the criteria for classification of its assets and provisioning as provided in Schedule-III:

Provided that the Modarabas engaged in other forms of businesses i.e. trading, manufacturing or any form of business other than the business of financial services, shall devise a policy duly approved by the board of directors for classification and provisioning of non-performing receivables and follow such policy for classification and provisioning of non-performing receivables.

(2) In addition to time-based criteria, subjective evaluation of performing and non-performing finance shall be made for risk assessment and where considered necessary the category of classification determined on the basis of the aforementioned time-based criteria shall be further downgraded:

Provided that such evaluation shall be carried out on the basis of adequacy of security inclusive of its realizable value, cash flow of the customer or lessee, operations in the account and records covering advances and credit worthiness of the customer or lessee.

(3) The status of classification of a rescheduled or restructured non-performing finance shall be changed only when the terms and conditions of the rescheduled or restructured finance are fully met for a period of at least six months (excluding grace period, if any) from the date of such rescheduling or restructuring and when at least 20% of the outstanding amount (principal and profit) is recovered in cash:

Provided that the above condition of six months' retention period shall not apply if the customer repays or adjusts at least 50% of the restructured or rescheduled loan amount (principal and profit) in cash either at the time of restructuring agreement or later-on during the grace period, if any.

(4) A modaraba shall ensure that the status of classification and provisioning of a rescheduled or restructured non-performing facility is not changed in its reports to the Registrar merely due to rescheduling or restructuring of a finance and rescheduled or restructured finance shall be reported to the Credit Information Bureau as such and not as default.

(5) Where the customer subsequently defaults (either on principal rental or profit) after the rescheduling or restructuring of the non-performing finance, the modaraba shall classify the finance in the same category as it was in at the time of rescheduling or restructuring.

(6) Modaraba may further downgrade the classification after taking into account the applicable criteria stated in Schedule-III.

(7) At the time of rescheduling or restructuring, a modaraba shall reconsider, re-examine and record in detail the viability of the project or business and shall accordingly

obtain a revised business plan, latest CIB report and endeavor to obtain additional security to protect its interests.

(8) A modaraba may take benefit of realizable value of assets held as collateral against non-performing finance as per criteria given in Schedule-IV.

(9) Subjective evaluation of investment portfolio and other assets shall be carried out by the modaraba. Classification of such assets and provisioning required against them shall be determined by keeping in view the risks involved and the requirements of the international accounting standards as notified by the Commission under Section 225 of the Companies Act, 2017 (XIX of 2017) and the technical releases issued by the Institute of Chartered Accountants of Pakistan, from time to time.

(10) A modaraba shall review, at least on a quarterly basis, the recovery of their finance, portfolio and shall properly document the evaluations so made:

Provided that shortfall in provisioning, if any, determined as a result of quarterly assessment, shall immediately be provided in the books of accounts by the modaraba.

(11) The external auditors as a part of the annual audit of the modaraba shall verify that all requirements under these regulations or any other circular issued by the Commission/Registrar for classification of assets and determination of provisions required against them have been complied with.

15. Reversal of Provisioning.— Where there is a cash recovery, other than rescheduling or restructuring, a modaraba may reverse specific provisioning held against classified assets to the extent that the remaining outstanding amount of the classified asset is covered by the minimum provisioning required under that particular classified category of assets.

16. Overdue, default and recovery.— (1) Every modaraba shall furnish the Registrar Modaraba a list of defaulters on prescribed format, on quarterly basis. A list of rescheduled and restructured facilities shall also be submitted to the Registrar Modaraba in the similar manner on prescribed format.

(2) A person, whether natural or juristic, shall be deemed to be defaulter if he (or his dependent family members or concerns owned or controlled by him or concerns in which he or his dependent family members are major shareholders) has failed to pay off or liquidate any fiduciary obligation towards any modaraba in Pakistan as was agreed upon or required under the terms and conditions of avilment of the financing facility or to do or perform an act agreed to or undertaken in writing to be done or performed by him and such failure has continued for a period of one year from the date on which he was required to make the payment or to do or perform the act.

(3) Every modaraba shall nominate an officer as recovery officer or constitute a section as recovery section depending upon the magnitude of defaults.

SCHEDULE – IV
[see regulation 14(8)]

**UNIFORM CRITERIA FOR DETERMINING THE VALUE OF ASSETS
HELD AS COLLATERAL**

- (a) Only liquid assets, leased assets, pledged stocks and property having registered or equitable mortgage (where NOC for creating further charge has not been issued by modaraba) shall be considered for taking benefit for provisioning. The aforesaid assets having *pari-passu* charge shall be considered on proportionate basis of the outstanding amount;
- (b) Hypothecated assets and assets with second charge or floating charge shall not be considered;
- (c) Valuations of leased assets, pledged stocks and mortgaged properties shall be carried out by an independent professional evaluator listed on the panel of evaluators maintained by the Pakistan Banks' Association or NBFIs and Modaraba Association of Pakistan.
- (d) The evaluators while assigning any values to the leased assets, pledged stocks and mortgaged properties held as collateral, shall take into account all relevant factors affecting the salability of such assets including any difficulty in obtaining their possession, their location, their condition and the prevailing economic conditions in the relevant sector, business or industry. The realizable value of mortgaged, pledged and leased assets determined by the evaluators must take into account the amount that can be realized from the asset if sold in a forced or distressed sale condition. The evaluators shall in their report explain the assumptions, calculations, formula and method adopted in determination of the realizable values;
- (e) The realizable values of leased assets, pledged stocks and mortgaged properties determined by the evaluators shall be subject to verification by the external auditors, who may reject cases of valuation, which in their opinion:
 - (i) do not appear to have been professionally carried out and values determined are unreasonable, or
 - (ii) are not backed by valid documentation of mortgage, pledge or leased assets and are not supported by legal opinion wherever required.
- (f) The categories of liquid assets, pledged stock, leased assets and mortgaged property to be considered for valuation along with discounting factors to be applied would be as under (Apart from the following, no other assets shall be taken into consideration):
 - (i) **Liquid Assets:**
Valuation of Liquid Assets shall be determined by the modaraba itself and verified by the external auditors. However, in the case of pledged shares of listed companies,

value should be taken at market value as per active list of Stock Exchange(s) on the balance sheet date. Moreover, valuation of shares pledged against Financing shall be considered only if these have been placed with Central Depository Company of Pakistan (CDC), otherwise these will not be admissible for deduction as liquid assets while determining required provisions.

(ii) Leased assets and mortgaged properties:

The value of the leased assets and mortgaged properties to be considered for provisioning purpose shall be the FSV and the FSV once determined, shall remain valid for three years from the date of the valuation during which period the leased and mortgaged assets will not be revalued for provisioning purpose. Also the adjustment factors of 80%, 70% and 50% shall be applied on the value so determined for the purpose of determining provisioning requirement in 1st, 2nd and 3rd year of valuation, respectively. Thereafter, the leased and mortgaged assets shall be revalued and the adjustment factor of 50% shall be applied for all subsequent years.

The FSV of leased and mortgaged assets shall be restricted to fresh revaluation or previous value, whichever is less. In case the modaraba is undertaking housing finance services, FSV once determined, shall remain valid for a period of ten years from the date of valuation and an adjustment factor of 70% shall be applied on the value so determined for the purpose of determining provisioning requirement in respect of housing finance for the said period.

(iii) Pledged stocks

The value of the pledged stocks of perishable and non-perishable goods to be considered for provisioning purpose shall be the FSV. In case of pledged stocks, FSV provided by evaluators should not be more than six months old at each balance sheet date. The goods should be perfectly pledged, the operation of the godown(s) or warehouse(s) should be in the control of the modaraba and regular valid insurance/takaful for the benefit of the modaraba, premium payment receipts and other documents should be available. In case of perishable goods, the evaluator should also give the approximate date when these are expected to be of no value. The modaraba shall receive monthly stock statements and conduct quarterly inspections of the pledged goods.

- (g) Non-performing finance against which security or in case of lease (Ijarah), additional security is not available, or where mortgaged, pledged or leased assets have not been valued and verified by external auditors, such finance shall continue to be classified and provided for according to the time-based criteria prescribed in Schedule-III.
